## BBQ STEAMBOAT

# EASY MOOKATA PREP GUIDE: FROM GRILL TO DIPPING SAUCE

## Step 1: Grill Preparation

Our friendly staff will bring a Moo-Ka-Ta BBQ Grill Plate to your table, featuring a central grilling section and a surrounding broth area.

## Step 2: Steamer Paper Setup

The staff will place a steamer paper on top of the grill. This ensures an easy grilling experience and prevents food from sticking.

## Step 3: Apply Pork Lard

Once the grill is heated, our staff will apply a generous portion of pork lard onto the grill surface, over the steamer paper. This adds rich flavor and helps your meat achieve the perfect sizzle.

## Step 4: Pour the Soup

Choose your preferred soup, and our staff will pour it into the rim of the Moo-Ka-Ta grill. This broth will be used for boiling your vegetables, noodles, and seafood.

## Step 5: Add Meat and Seafood

Place your meat and seafood on the center of the grill to cook. Simultaneously, add your vegetables, glass noodles, and other ingredients into the surrounding broth for a delicious combination of grilled and boiled flavors.

**Additional Tip:** To enhance the broth's flavor, add all the vegetables provided into the broth. As the meat cooks, its natural fats will drip down into the broth, enriching its taste.

## Step 6: Dip into Sauce

Once cooked, dip your meat and seafood into our special Thai dipping sauce for an extra burst of flavor!

**Alternative Option:** For a flavor explosion, wrap your grilled meat in vegetables, add some sauce, and enjoy!
